(902) 491-4117

Patrick is a business lawyer, trademark agent and a partner in Cox & Palmer's Halifax office with a practice focused on transactions, technology and corporate finance. Representing entrepreneurs, angel investors, venture capital and private equity interests, he is actively involved in the technology start-up scene in Nova Scotia as a lawyer, leading Cox & Palmer's Nova Scotia start-up practice, and as a mentor through the recently launched MIT Venture Mentoring Service in Nova Scotia.

Patrick is a director of IT.Can and has been included in *The Best Lawyers In Canada* since 2008 for his IT law and M&A practices and in the Canadian Legal Lexpert Directory as a leading practitioner in Corporate Finance, Intellectual Property, and Computer & IT Law. He was also selected as *Best Lawyers'* 2017 Halifax Information Technology Law Lawyer of the Year.
