

Daniel Shap, Managing Counsel, CIBC

Daniel manages a team of IT contracting lawyers at CIBC that assists in the negotiation and drafting of agreements relating to a wide variety of deals. He and his team are recipients of CCCA 2015 *Innovation Award* for the design and implementation of a modular contracting platform. Transactions that Daniel has advised on include material outsourcings, cloud computing, mobile banking, payment solutions, managed mobility services, trading platforms, index agreements, consulting services, software licenses, hardware acquisitions, and telecommunications arrangements. Daniel also has extensive experience advising on matters relating to technology, e-commerce and Internet law.
